Prior balances are upon receipt of a statement or at the time of a scheduled appointment, whichever comes first. If you are unable to make payment at the time of the scheduled appointment, please contact the billing office to make arrangements for the balance. If you are unable to remit payment, the office reserves the right to reschedule your appointment for another day/time that is convenient for you.

High Deductible Health Plans

Due to the recent increase in high deductible plans, it is now the policy of One Pediatrics to require a \$50.00 pre-payment for any visit scheduled that is not for preventive care. Preventive care services include well visits, immunizations, and yearly wellness visits.

- Charges for all visits will be charged to your designated insurance carrier/provider for services rendered by One Pediatrics providers.
- The \$50.00 pre-payment will be applied to the account and any remaining balances, as determined by the insurance carrier will be billed to the responsible party on the account.

Insurance Changes

It is the responsibility of the patient/parent/guardian to notify the office of any changes to your insurance, so that we can correctly file claims, and accurately determine out of pocket costs.

Billing

One Pediatrics bills insurance as a courtesy to our patients. If we receive denial information from your insurance payer, you may receive a bill from our offices. It is the responsibility of the patient/parent/guardian to reach out to our billing office and/or the insurance company to discuss the balance.
